MOUNTAIN BIKERS RESPONSIBILITY CODE

Common sense and personal awareness can help reduce some elements of mountain biking risks.

1. Ride under control and within your ability, so you can stop or avoid people and objects. Always be courteous.
2. Keep off all closed trails and closed areas; stay on marked trails, and don't cut switchbacks.
3. Read and obey all signs and warnings.
4. Inspect features and jumps before using or attempting.
5. Do not stop where you obstruct a trail or are not visible from above or to other riders.
6. Slow or stop as necessary when overtaking other riders. Anticipate other users at corners and blind spots. Slower riders should yield to faster riders as soon as safe to do so.
7. Look uphill and yield to other riders when entering a trail or starting downhill.
8. Helmets are required while riding on Steamboat Resort trails.
9. Do not use lifts or terrain if you are under the influence of alcohol or drugs.
10. You must have sufficient physical dexterity, ability and knowledge to safely load, ride and unload the Gondola and to ride the terrain and features you choose.
11. Identify yourself to the Bike Patrol if you are involved in or are a witness to a collision or accident.
12. Make sure your equipment is in proper working order and properly adjusted. If you are not completely familiar with your bike have it checked by a bike mechanic.
13. Respect Steamboat Resort, its employees, other guests and property and your National Forest.

**KNOW THE CODE - BE SAFETY CONSCIOUS.
IT IS YOUR RESPONSIBILITY.
PRIVILEGES WILL BE REVOKED FOR
VIOLATION OF THE CODE.**

Due to fire danger, smoking is prohibited both on-mountain and in Steamboat Resort
