

Steamboat is the home of **Champagne Powder® snow**, averaging 349"/8.8 metres per winter. We finished Winter 2010-2011 with a very impressive 433"/10.99 metres of snow for the season!

Steamboat has a **genuine American Old West heritage**, and ranching is still an important segment of our local culture and economy.

Steamboat is a small town surrounded by **incredible natural beauty** where you can enjoy your holiday in a **relaxed, friendly and peaceful atmosphere**.

Steamboat pleases all types of visitors of all ages: singles, couples, groups and families with children. And **kids 12 and under ski and rent free!**

Steamboat provides **easy access** to our international guests, with daily jet service from many US cities into our Yampa Valley Regional Airport (HDN), only 37km from the slopes. Or you can fly into Denver and shuttle up to Steamboat.

Steamboat has completed **major improvements** in the resort, in new lodging properties and in-town amenities, and we are now looking fresh, gorgeous and construction free. New for winter 2011-2012: The Steamboat Promenade and heated pavers in Gondola Square.

Steamboat offers a wealth of **services and amenities** to take care of the 10,000 local residents, and your clients can enjoy them, too:

- More than 16,000 guest beds, ranging from humble inns to luxury hotels and condominiums (see interactive lodging map on www.steamboat.com).
- Over 100 bars and restaurants from fine dining to local cafés (see www.steamboat-dining.com).
- Two full-service supermarkets and 10 beer and liquor stores
- A good variety of day spas and health and beauty services
- 200+ locally owned shops and 10 cinema screens
- Several art galleries and a fabulous public library
- A 7km long walking path along the Yampa River, paralleling Lincoln Avenue (Main Street USA!) and a great variety of cross-country ski terrain
