**STEAMBOAT BIKE PARK TRAIL TYPES:**

- Flow Trails:** Flow Trails are machine-cut and contain man-made features. Routes are enhanced with dirt jumps, rickon features, gaps, narrow surfaces, wall rides, berms and other natural or constructed features. Jumping/drop skills may be required.
- Technical Trails:** Technical trails are designed to highlight the rugged shape and terrain of the mountain, utilizing a majority of natural terrain. Routes are typically hand-built and feature organic obstacles and stunts such as rocks, roots, logs, drops, jumps and other natural constructed features that require technical riding skills. Jumping/drop skills may be required.
