Steamboat®

2026-2027

NEW THIS SEASON

Steamboat Hospitality – Steamboat has launched Steamboat Hospitality, a new division offering travelers a more seamless way to discover and book lodging throughout Steamboat Springs. The growing lodging portfolio brings a wide collection of accommodations ranging from full-service hotel rooms to spacious slopeside condos. More information about available properties can be found at www.steamboat.com/lodging.

Halfpipe Resurfacing- New for Winter 2026/27, Steamboat is repurposing excavated material from the Stockman Hotel project to raise the base of Maverick's Halfpipe, located in Bashor Bowl. The soil repurposing is expected to reduce snowmaking and natural snow required to build the halfpipe and allow the facility to open earlier in the season.

Winter Air Service - Steamboat's Airline Program continues to be one of the most robust in the Rockies with the addition of nonstop service to Portland (PDX) on Alaska Airlines, creating 18 nonstops on 6 major airlines.

Water Ramp & Trampoline Training Facility - Steamboat Resort and the Steamboat Springs Winter Sports Club have broken ground on a new water ramp and trampoline training center at the base of the resort.

BEGINNER/INTERMEDIATE LEARNING

GREENHORN RANCH

First-time skiers and riders begin their adventure at Greenhorn Ranch, a dedicated on-mountain learning area perched at 7,513 feet. This beginner friendly zone features gentle slopes with 0% to 15% grades, progressive natural terrain, and its own chairlift for easy access. Smart terrain instruction utilizes the natural terrain to teach the sensation of gliding and turning through snow. This innovative approach is designed to accelerate the learning process, build confidence, and provide a supportive start to every beginner's snow adventure.

WILD BLUE GONDOLA

The skier and rider experience is redefined with the Wild Blue Gondola. After building confidence at Greenhorn Ranch, guests ready to level up can ascend to the summit of Sunshine Peak to our intermediate paradise in the Sunshine Bowl. Skiers and riders can explore expansive terrain to build on the skills they've learned, while still allowing for a seamless return to the base area via the Wild Blue Gondola.

Steamboat

EXPANDED EXPERT TERRAIN

MAHOGANY RIDGE

Advanced and expert skiers and riders discover new challenges with the expansion into Mahogany Ridge, adding over 650 acres. This expansion features Mahogany Ridge Express, a dedicated high speed quad lift and expands Steamboat's legendary tree skiing with a variety of glades to explore.

FISH CREEK CANYON

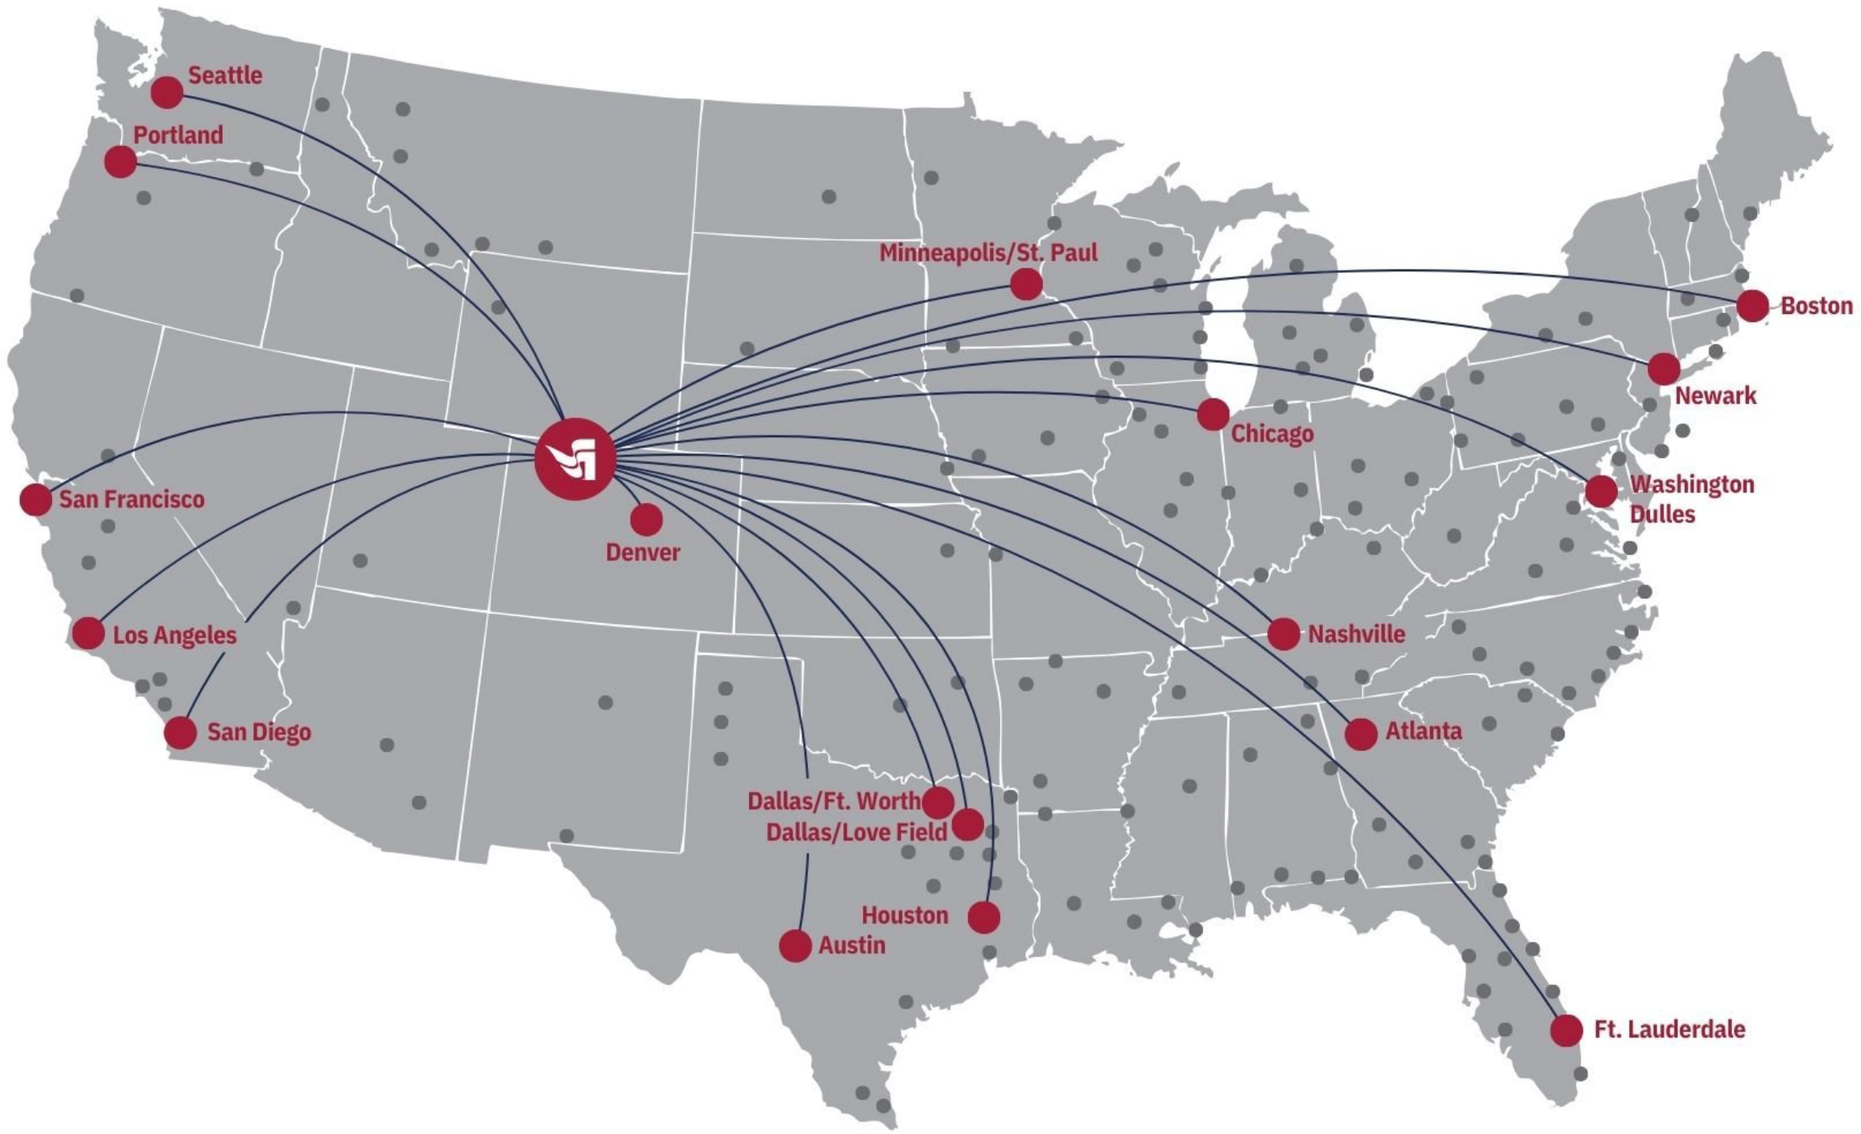

Steamboat's most extreme terrain awaits beyond the access gates at the top of Mahogany Ridge Express. Fish Creek Canyon offers a true test for extreme skiers and riders looking to push their limits. The terrain is a rugged paradise featuring steep chutes, rock cliffs, and challenging tree glades. Access requires a 30-45 minute traverse hike back to Mahogany Ridge Express cautioning users to "know before you go".

DOING GOOD

IT'S IN OUR NATURE

Steamboat

DOING GOOD IT'S IN OUR NATURE

Steamboat isn't just a ski resort. It's a way of life. One that embraces timeless western values of being true to yourself, welcoming to others, and sharing the good life while preserving it for all that follow in our bootsteps because doing good Is In our nature.

Protecting the Planet - Because the mountains are our lives and livelihoods, Steamboat is dedicated to environmental stewardship and climate action that maximize positive impact while minimizing our footprint. We are working to cut carbon emissions in half by 2030, reduce landfill waste, and advance sustainability through local partnerships

Prioritizing People - Steamboat believes the mountains are for everyone. By fostering belonging, well-being, and an inclusive culture, we create a workplace and guest experience where all feel welcome and empowered to enjoy the mountains.

Investing in Community - Giving back is part of who we are. Through charitable partnerships, community investments, and athlete development, Steamboat works to strengthen the communities that make mountain life possible. Steamboat has donated more than $32 million in both cash and in-kind support to community organizations.

PULL UP A CHAIR

Whether it's your first visit or you've been coming for years, there's just something about being at Steamboat that makes you feel right at home. Feel truly welcomed and where you belong. From the smiles of the ambassadors that greet you in Steamboat Square, to the lifties who dance to the beat of their own playlist, to the strangers you ride a chairlift with. Everyone is there to share in the adventure, good times, and the wide-open beauty. So this year, we invite you to "pull up a chair" and experience what Steamboat is all about.
