MOUNTAIN BIKERS RESPONSIBILITY CODE

MOUNTAIN BIKING INVOLVES THE RISK OF SERIOUS INJURY OR DEATH. YOUR KNOWLEDGE, DECISIONS AND ACTIONS CONTRIBUTE TO YOUR SAFETY AND THAT OF OTHERS.

1. **STAY IN CONTROL.** You are responsible for avoiding objects and people.
2. **KNOW YOUR LIMITS.** Ride within your ability. Start small and work your way up.
3. **PROTECT YOURSELF.** Use an appropriate bike, helmet, and protective equipment.
4. **INSPECT AND MAINTAIN YOUR EQUIPMENT.** Know your components and their operation prior to riding.
5. **BE LIFT SMART.** Know how to load, ride and unload safely. Ask if you need help.
6. **INSPECT THE TRAILS AND FEATURES.** Conditions change constantly; plan and adjust your riding accordingly.
7. **OBEY SIGNS AND WARNINGS.** Stay on marked trails only. Keep off closed trails and features. Ride in the direction indicated.
8. **BE VISIBLE.** Do not stop where you obstruct a trail, feature, landing, or are not visible.
9. **LOOK OUT FOR OTHERS.** Look both ways and yield when entering or crossing a road or trail. When overtaking, use caution and yield to those ahead.
10. **COOPERATE.** If involved in or witness to an incident, identify yourself to staff.

KNOW AND FOLLOW THE CODE. IT IS YOUR RESPONSIBILITY.

THINGS TO KNOW

- Use extreme caution when riding Why Not and service roads as vehicles may be encountered at any time.
- Motorized mobility devices for persons with disabilities are allowed under certain circumstances where safety of the operator, other persons and damage to the environment are not impacted. Check in at the Welcome Center in Gondola Square before boarding the Gondola with such devices.
- First Aid Services are only available during Gondola operating hours.
- Hiking is available on multi-use trails; however, to minimize encounters with mountain bike traffic, the Thunderhead Hiking Trail and Vista Nature Trail are recommended.
- Smoking is not encouraged on the mountain. Smoking is not permitted anywhere in the base area, on the Gondola or inside mountain facilities. This includes all outdoor plazas or on the Promenade except designated smoking areas.
- Do not feed or approach wildlife under any circumstances.
- Pack it in, pack it out – do not litter your National Forest.

WARNING

All Downhill Bike Park Trails are closed for the Summer 2020 season. Multi-Use hiking and cross country trails are open, however emergency services, restrooms and water are only available Friday-Sunday through Labor Day. Please note, trails are not checked or cleared on a continual basis. Look ahead and ride with a partner. Beware of vehicle traffic on mountain roads. Bikers and hikers must yield to vehicles.

Yield Appropriately: Do your utmost to let your fellow trail users know you're coming — a friendly greeting or bell ring are good methods. Mountain bikers should yield to other non-motorized trail users. Bicyclists traveling downhill should yield to all users headed uphill, unless the trail is clearly signed for one-way or downhill-only traffic.

Single Track Trails: Flow Trails are machine-cut and contain man-made features. Routes are enhanced with dirt jumps, ride-on features, gaps, narrow surfaces, wall rides, berms and other natural and constructed features.
