### **Routt County Launches COVID-19 Website**

---

STEAMBOAT SPRINGS, CO, March 20, 2020 — Routt County has launched a website that aims to address concerns of county residents, employers, workers and their families may have about how COVID-19 is affecting life here. The residents of Routt County are relying on each other to get through the personal and economic challenges presented by COVID-19 and Routt County can provide information, answers and resources. This portal will serve as a resource for our residents, businesses and their employees as we navigate these uncharted waters together.

The website is: [covid19routtcounty.com](https://covid19routtcounty.com)

The site includes links to resources from local, Colorado and federal governments detailing their COVID-19 along with resources for employer and their workers. The human and economic impact of the COVID-19 virus remains unknown, but we do know a lot of great organizations are standing ready to assist. Routt County will do everything we can to provide the support our community needs as we grapple with the economic, health and social challenges of the coronavirus and COVID-19.

Routt County will update the website as new information becomes available. Routt County residents can also call the Routt County Help Line at 970-871-8444.
